3.1. Microsoft CSP Subscriptions and Licenses

The Microsoft CSP program, or Cloud Solution Provider program, is a Microsoft initiative that allows partners to sell Microsoft cloud services along with their own offerings and services. The invoice for CSP services will not come direct from Microsoft.

CSP providers are only able to open support cases with Microsoft for subscriptions and licenses purchased through the provider. They are unable to cases for subscriptions purchase directly from Microsoft.

For CSP procured subscriptions and licenses only the provider is able to open support cases. The reseller and end user are not able to open cases directly.

3.1.1. Purchased from TD SYNEX

If the subscription or license was purchased through TD SYNEX. A support case with Microsoft may be opened by contacting one of the following teams:

For Basic, Standard or Select Support in US or CA (Legacy tech Data / ION / SCM / Stellr):
CSPSupport@tdsynnex.com or 844-525-6201

For Support in the US (Legacy Synnex / Stellr): CSPSupportUS@tdsynnex.com or 844-834-6121 x2

For Support in the Canada (Legacy Synnex / Stellr): CSPSupportCA@tdsynnex.com or 844-834-6121 x2

3.1.2. Purchased from Another Provider

If the subscription or license was purchased through another provider. A support case with Microsoft may be opened by contacting the provider. TD SYNEX has not ability to open cases for subscriptions purchased from other providers.

3.2. Enterprise Agreement Subscriptions and Licenses

For Enterprise Agreements, the end user customer will need to open cases directly with Microsoft by following the instructions provided with the support contract they purchased.
